If you are paying using an etransfer to Arlene King (aeking [60@icloud.com](mailto:60@icloud.com)) please make sure that if your bank insists on a security question it should be: What is the guild name? **The answer should be SJGE24. Please note that the answer is ALL CAPITALS.**

Our last auction was in 2022. We will need to hold another one in 2025 or 2026.

We have a member, Kitty Drake, who will be the chair of the auction committee. If you are interested in helping to arrange the auction, please let Kitty or Jewel know.

Now is the time to start planning what you want to stitch to contribute to a successful auction.

## **Retreat at Trepassey**

It was a small group of us who drove to Trepassey on Thanksgiving weekend for our annual retreat. We stayed at the Edge of the Avalon Inn, in the main building and the Annex. The accommodations were lovely. The evening meals were in the main dining room. We stitched in the seniors centre which was a bright, warm space with plenty of light and nice big kitchen.

We think we should try there next year but perhaps a few weeks earlier in September.

## **Workshops**

Carousel was cancelled due to lack of interest. We will try it again in the new year.

Sheila and Anne have been reviewing the workshop policy and we will present their recommendations at the November meeting.

## **Hannelore Walters Scholarship**

The guild has an annual scholarship and the application deadline is January 31. It is worth up to \$500. Here are some details and we will be making an online form available.

The Guild annually awards a scholarship to members in good standing.

1. The scholarship is awarded for educational purposes and must be applied towards the registration and/or supplies in an embroidery related workshop; class or correspondence course with EAC or a similar recognized organization.
