

January 2026 Embellishments

Welcome to the new year.... what might we get accomplished in our stitching journeys ?

January Meeting – We may have to cancel the meeting if the weather forecast is correct. We will send an email (and post it on Facebook and Instagram) to you all in the early afternoon if we are going to cancel.

Hannelore Walters Scholarship, in the amount of \$500, has been awarded to Sheila Anstey. She will be using it towards the cost of attending Seminar 2026 where she will be co-hosting with Anne as they do presentations about our upcoming seminar.

EDGE Stitching;

We are going to have our daytime EDGE on the third Thursday of the month at the History House in Torbay from 10-3 PM. Dates are Feb 19, Mar 19, Apr 16, May 21, June 18.

Evening EDGE will continue at College of the North Atlantic on Feb 5, Mar 5, Apr 2, May 7, June 4. 7-9 pm, College of the North Atlantic on Prince Phillip Drive, Room C209.

Programs: For the next few months, small groups will be stitching together on a project. Jewel's group for canvas will not start until February because supplies have not arrived.

School of Cod at History House in Torbay: The cod are on display until February 14 but will be there longer as they have no display scheduled for after. Go and visit the display, bring along

your stitching and sit surrounded by great inspiration and lovely light in the gallery. Let Jewel know if you are going as other stitchers might like to join you.

Auction News: The final total of funds raised for auction was \$7105. Congratulations to Kitty Drake and her team for organizing and to all stitchers who contributed and purchased items.

Workshops: Krista will have details about a possible workshop in May. Thanks to Elizabeth who is leading and hosting a beginners workshop this weekend.

Minutes and the treasurer's report will be added to the email.

Hope to see you in a few days,
Jewel.
